To whom this may concern,

I am hoping to vacate the dismissal of my bankruptcy to save my home. I did not have the money for an atty and also did not qualify for free/reduced aid. I printed out all documents from the bk website and spent a lot of time researching and reviewing before filling it out. I had a few papers handed back to me at the counter, when I turned in my schedules. I was told I didn't need them submitted until the meeting of creditors. Those missing papers got my bankruptcy dismissed. I would be grateful if you would consider to put me in active bankruptcy. Thank you,

Kathleen McLean
